

CODING & OASIS QA REVIEW
plus OASIS transcribing

DIAGNOSIS CODING

Our ICD-10 diagnosis coding service provides the **fastest and most reliable** alternative for home health agencies. Our BCHH-C, HCS-D & COS-C certified nurses focus on coding accuracy to ensure your agency gets the **maximum compensation** for the services you provide.

OASIS C-2 REVIEW

Our comprehensive OASIS review service focuses on coding and OASIS accuracy to **improve patient outcome scores and maximize Medicare reimbursements**. Expert COS-C, HCS-D & BCHH-C certified nurses provide all ICD-10 diagnosis codes and recommend corrections to OASIS answers based on medical documentation and the current CMS guidelines. A detailed OASIS Audit Report is provided for each OASIS review.

OASIS TRANSCRIBING

Our OASIS transcribing services can quickly convert notes into an OASIS which **will shorten the billing & collection cycle**. Dictating service also available.
